

Kids in Flight

Teaching Children to Soar With Their Dreams.

August 2005

Dear Chad,

I would like to personally thank you for your generous contribution to this year's Kids in Flight event.

In its third year, Kids in Flight was a great success, hosting more than 100 people on Saturday, July 23 at Lost Nation Airport in Willoughby, Ohio. The children and their families soared over the Cleveland skyline, armed with blue skies and big smiles. With the highs of flying still on their minds, participants shared in other activities including pony rides, arts and crafts, airbrush tattoos, radio controlled airplanes, photography, fire trucks and an incredible static aircraft display, all the while enjoying various food throughout the day.

With so much to do, the families' crises were all but forgotten, if only for a moment. Your contribution helped to make this possible and you are to be commended for your generosity. Whether or not you were able to attend the event, please know that the smiles on the children's faces made all of our efforts worthwhile. Plans for next year's event are already underway and we look forward to making it even bigger and better as we continue to grow.

Thank you again for your kindness!

Sincerely,

Maria F. Weybrecht
Founder

*Thank you so much!
I hope you can continue
to be a part of the event!*
