Mr. Chad Hudock, Operations Manager
Flightline Airshow Safety Team

Dear Mr. Hudock:

On behalf of the Yankee Air Museum, I would like to express our sincere appreciation and gratitude to the members of the Flightline Airshow Safety Team who took part in our show, Thunder Over Michigan, at Willow Run Airport July 6, 7 and 8.

As I have said before, safely putting on this show without your participation would be all but impossible. Not only do you provide the experienced extra manpower that is needed, but your conduct and professionalism rubs off on all who come in contact with the Team. The change in the venue this year may have made the ramp a little simpler than in years past, but that did not make the overall job any less difficult or complex. Once again, your team rose to the challenge and was instrumental in making the show both safe and efficient.

Once again our sincere thanks. Those of us on the operational side of the event truly realize the contribution you make, and many of the participants commented favorably on the overall cooperation and the professionalism of the ramp crew. We look forward to working with all of you again in the future.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Raymond E. Nickels".
